Magnet in
base

Description and features

MINI, HOBBY and MULTI HALOGEN are compact torches made from robust plastic that combines super-bright halogen light and a portable format. HALOMAX® is a magnifying glass with built-in halogen lamp.

MINI HALOGEN

- High-intensity miniature torch
- Wide beam and narrow beam function

HOBBY HALOGEN

- General-purpose torch and work light
- Bright all-round reading and working light
- Wide beam, narrow beam and morse functions

MULTI HALOGEN

- General-purpose torch and warning light
- Wide beam, narrow beam, warning light and morse functions
- Simple to attach to metal objects thanks to the powerful magnet in the base of the torch

HALOMAX® MAGNIFYING GLASS

- Practical, high-intensity magnifying glass
- Long, easy-to-hold handle
- Conveniently sited light-switch
- High-quality optical lens from scratch-resistant glass with 7 cm diameter and 2.5 x magnification
