

New attractive
silver look

Life's an adventure.

Camping lanterns and
torches from OSRAM

SEE THE WORLD IN A NEW LIGHT

Adventure. Holiday.

There are certain things you should always pack when you go on your travels: a first aid kit, penknife, matches – and the new camping torches from OSRAM. Whether you're trekking across the desert, sailing the seven seas, cycling through the countryside or camping under the stars,

our rugged and reliable camping lanterns and torches will be your welcome companions. And even if you stay at home, they'll shed light on any situation – rummaging in the attic, in the garage, in the garden or through old papers.

OSRAM CAMPING ENERGY AUTOMATIC and CAMPING HALOGEN

These new camping lanterns provide bright energy-saving light or brilliant halogen light. Wherever you happen to be at night, you always feel at home. The two lanterns have rugged water-resistant steel and plastic casings and a high-quality "silver" finish.

OSRAM CAMPING ENERGY AUTOMATIC New with remote control

Innovative camping lantern with modern 7W long-life energy-saving lamp and electronic control gear. As bright as a 40W light bulb. Practical carrying handle and hanging hook. Special feature: the lantern can be switched on and off by remote control (range: approx. 8m). Takes four LR 20 batteries. Colour: Titanium/silver/blue.

OSRAM CAMPING HALOGEN

Optical brilliance

Modern camping lantern for brilliant white halogen light. Smart, eye-catching design. Practical carrying handle and hanging hook. Takes four LR 20 batteries. Colour: Titanium/silver/blue.

With remote control

Leisure.

OSRAM MINI KRYPTON, KRYPTON METAL and KRYPTON POWER

These new torches are ideal companions on the move and extremely useful around the house. All three are equipped with modern krypton lamps. In terms of their styling and materials, they match the attractive new camping

lanterns with their rugged water-resistant steel and plastic construction and functional design.

OSRAM KRYPTON POWER
Extremely rugged search-light for long distances. Comfortable handle. Takes four LR 20 batteries. Colour: Titanium/silver/blue.

OSRAM KRYPTON METAL
Extremely rugged and compact torch. Handy fastening ring. Takes two LR 20 batteries. Colour: Titanium/silver/blue.

OSRAM MINI KRYPTON
Very compact mini torch. Robust design. Handy fastening ring for hanging on belts or hooks. Takes two LR 6 batteries. Colour: Titanium/silver/blue.

LED KEY CHAIN and LED TRACER

LED key fob and LED mini torch in modern metallic design round off OSRAM's range of outdoor lanterns and torches.

These two handy torches provide reliable light for close work. Both are water-resistant, equipped with super-bright, extremely long-life white OSRAM LED and can be easily attached to a key ring.

LED TRACER
Compact LED torch. Robust design. Bright point light source with lens attachment. With loop for key ring. Takes two LR 3 batteries. Colour: Titanium/silver/blue.

LED KEY CHAIN
Extremely compact LED key fob. Bright point light source. With chain and karabiner to take keys and attach to belts. Complete with two long-life CR 2025 button cells. Colour: Titanium/silver/blue.

Doubly impressive

The new camping lanterns and torches from OSRAM offer much more than powerful light, state-of-the-art technology, high-quality workmanship and attractive design.

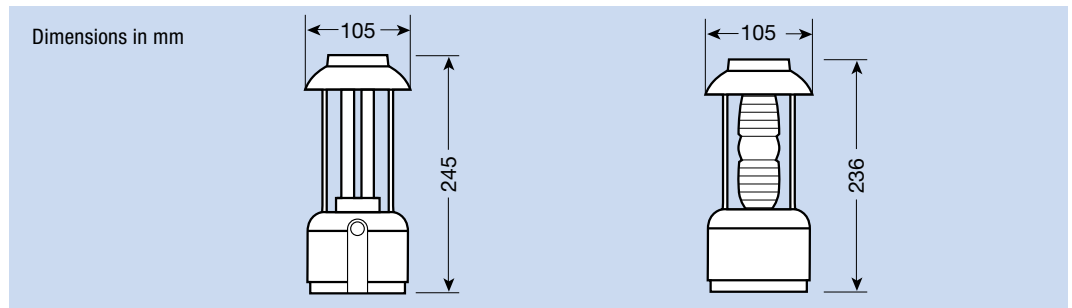

1. They all make useful and attractive presents that will be treasured for years.

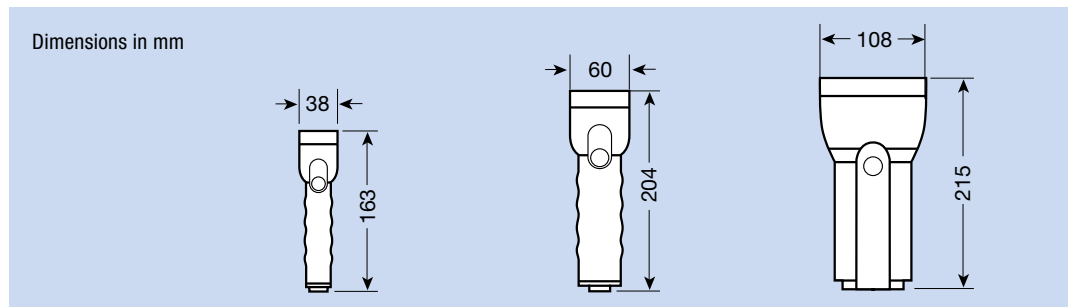

2. Their high quality is underlined by the attractive and particularly stylish packaging.
